<ul style="list-style-type: none">• HTML• CSS• JavaScript• PHP (Basics)	<ul style="list-style-type: none">• AWS (During internship)• MS Word, Excel• Database Concepts	<ul style="list-style-type: none">• Java• C++ (Data Structures)

EXPERIENCE

TezHost — Web Developer Intern

Duration: 5 Months

Role: Front-End Development & Designing

Key Responsibilities:

- Designed and developed responsive web pages using HTML, CSS, and JavaScript.
- Collaborated with the senior development team to improve website performance and layout.
- Received an official Certification and a Recommendation Letter from the CEO of TezHost for outstanding performance during the internship.

EDUCATION

- BS Computer Science — Shifa Tameer-e-Millat University
- Currently in 7th Semester with a 3.0 CGPA
- F.Sc. (Pre-Medical) — Scored 73%

STRENGTHS

- Quick Learner
- Strong Communication Skills
- Problem-Solving Ability
- Team Collaboration

PROJECTS

- Line Follower Robot: Developed using Arduino Uno, demonstrating embedded systems knowledge and sensor integration.
- Management Systems: Implemented multiple management systems using Data Structures & Algorithms (DSA) to improve performance and efficiency.
- Dynamic Website with Database: Built a complete website featuring a working backend and database, showcasing full-stack development fundamentals.
